

317.8+/- DRYLAND ACRES

NORTON COUNTY, KS | OFFERED AT \$873,950

Here is a great opportunity to purchase 318+/- fully tillable farmland acres located in the southeast corner of Norton County, Kansas. Lying just over 1 mile north of Bow Creek, this upland farm is perfect for the farmer or investor looking to add serious acres to their farming portfolio. Consisting of fertile Holdrege silt loam soil with a gentle rolling landscape across the tract, you will be hard pressed to find a better, fully tillable, upland farm on the market in this region. This tract has several grass waterways and well-structured terraces, for better erosion control during heavy rains. The Seller has built a balanced soil fertility program over the years, and has raised some of his best yields on this farm. Currently the farm is drilled to wheat for the 2026 wheat crop. Situated on the north side of County Road EE, this fertile farm checks all of the boxes for a great investment property!

Property Directions:

From Densmore, KS travel 5 miles south on County Road E8, turning east on EE Road. Turn left at the curve and continue on County Road EE for 2 miles. The property will be located on the north side of the road. Signs will be posted.
